Elementary Learn About Entrepreneurship

Menta Midway elementary students learned about business and entrepreneurship during December's Menta-wide Winter Business Market. The students created products to sell, priced their products, and created advertisements. The students also designed a winter photobooth for guests..

MSA Students Host Winter Business Market

MSA students helped with the Menta-wide Winter Business Market by greeting all guests, and giving tours of the MSA Facility. Students assisted during the market by passing out Menta Bucks and, helping guests enjoy the market.
