

Menta Academy Midway Newsletter

**March
2019**

Upcoming Events

March 15th Game vs Hillside
March 14th: Science Fair
March 29th: Staff Institute Day
April 8th: Open House

ELEMENTARY BENEFIT FROM ART THERAPY

Art therapy gives students an opportunity to collaborate as a team. Students are working on making feathers for a group mural and create wings. The collaborative work can promote a sense of community. The students express feelings on any subject through creative work rather than with speech, it is believed to be particularly helpful for those who feel out of touch with their emotions or feelings.

SAVE THE DATE: Open House at Midway

Open House will be April 8th from 4pm- 6pm. Please join us to celebrate the opening of Menta Academy Midway and Menta Sports Academy.

Teachers will be available to meet with parents also.

Menta Academy Midway Open House

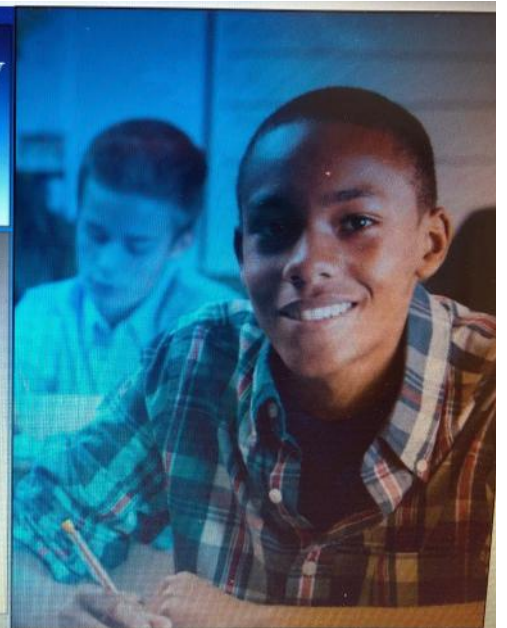

We invite you to our Open House where you will:

- Meet the administrators, teachers, and support staff
- Learn about our innovative, educational programs
- Tour the school
- Enjoy light refreshments and food
- Raffle for a chance to win prizes

April 8, 2019

To RSVP or for more information email:

World Culture Class Visits The National Museum of Mexican Art.

Attention Parents:

Report cards have been sent home. If there are any questions please feel free to contact Principal Hernandez.

Project Based Learning in Math Class

Students are currently working on measuring and budgeting. Each student is given a budget of \$10 to purchase items to build either a rocking chair, tower, rocket, bridge, swing, or marble run. Students must also meet certain requirements, such as the height that it must be or the width between endpoints. Students need to be innovative and creative to be able to create these items with materials such as card stock, Popsicle sticks, tape, pipe cleaners, or toilet paper tubes. Other items include, toothpicks, paperclips and cups.
